Discounts for Teacher Education

In our ongoing effort to help schools or programs that want to help their teachers obtain a Birth-to-Three or Birth-to-Seven certificate we are offering the following discount program. This program is a trial in effect for students who join the cohort beginning in June 2023. There is no guarantee that it will continue.

The school/program must:

- Have three or more teachers enrolled in the 2023 (class of 2026) cohort that starts in June 2023.
- The school/program states in writing they are committed to paying no less than 20% of the tuition (\$2,458 or \$4,458).

Sophia's Hearth will:

- Discount the tuition charge for each student by 20%, Birth to Three by \$2,458 and Birth-to-Seven by \$4,458.
- Work with both the school/program and student to make a payment arrangement that meets everyone's needs.

The student:

- May apply for AWSNA Grants (if coming from an AWSNA school) to offset their expense
- Will be responsible for the balance of tuition

Additional details:

- Schools must provide a written statement to Sophia's Hearth and the student clearly stating how much tuition will be paid for the student.
- If a student withdraws from the program all discounts will be forfeited in full. The remaining tuition due will become the responsibility of the student. The non-discounted tuition amount will be used to calculate the amount due at withdrawal. (see withdrawal policy for details)
- No refunds will be given to the school/program upon student withdrawal.
- After a student withdraws, the school must have at least two students still enrolled, or the discount is forfeited.
